In preparation for receiving my 2008 Solo Permit Sticker, I took the time to “brush-up” on the following “Key Portions” of the Management Plan. I found all the information I needed is posted at [www.flaminggeyserflyers.com](http://www.flaminggeyserflyers.com) / Documents / Management Plan:

- The importance of Safety, above all else – page 2 of the Management Plan
- Sound limit of 89 decibels – Para. 4 on page 2
- Flying Zone – I know the boundaries as described on Attachment B
- Airfield Flying Hours on Attachment C
- Attachment A – landings outside the Approved Flight Zone, or outside the Park
- Rules governing flying at FGSP – Attachment D

I have reviewed and understand the Management Plan in its entirety.
