

Flaming Geysers Flyers Meeting  
January 8, 2008  
Flaming Geysers State Park---Environmental Learning Center

7:00-----meeting called to order by Dean Brinton (president)---all members introduced themselves---written membership roll was taken---there were 19 persons present---minutes for the December meeting were read by Robert Burks (secretary)---the minutes were accepted and approved as read---Dean Brinton (president) reported that the News Years Day fly-in had expenses of \$53.00 and an income of \$238.00---safety coordinator (Rob Clement) reported that there have been no incident or violation reports during the last month

7:20-----general discussion---both Allen Poinsett and Dick Joslin have had health problems that required hospitalization; they are doing well---thanks to Dennis Long for re-installing the windsock---a reminder that next month we will be voting to replace one position on the Advisory Committee---club hats are available for \$15.00

7:30-----new business---the new years day fly-in was well attended---pictures of the fly-in are on the club website---the club extends a thank you to Pat Castle (beverages) , Bill Westerlund, Jeff McGuire and Frank O'Brien (BBQ) for their assistance during the fly-in ---it was suggested that a three panel descriptive brochure about the Flaming Geysers Flying Club be placed in local hobby shops---Dick Weaver has agreed to revise the present frequency clip board to provide more room for 2.4 GHz pins---the Seattle Sky Raiders (a control line club) continue to try to secure permission to develop a flying field at the park---the new club position of field marshal has been filled by Dave Burdick---it was noted that the plastic fencing and posts in the helicopter area need attention

7:45-----more new business---it was suggested that the club develop an instructional pool---a sign up sheet was circulated among the members---a club visit to the Museum of Flight has been tentatively scheduled for February 7, 2008 with free access from 5-9pm---the club may be scheduling a Maytown Float Fly and swap meet some time in April---Darrin Howell (web master) presented a website demonstration

8:30-----motion to adjourn was made and accepted---next meeting will be February 12, 2008 (location and time pending) ---renewal of solo stickers was continued after the meeting was adjourned
