

Flaming Geyser Flyers Meeting
January 12, 2010
Round Table Pizza---Kent

6:30-----pizza selection and purchase

6:35-----meeting called to order by Dave Temby (president)---there were 21 persons present--
-all members introduced themselves---the minutes for the December meeting were read by
Robert Burks (secretary)---the minutes were approved and accepted as read ---financial report
was given by Dave Temby

6:40-----new business---the southeast end of the will be closed (blocked by barricades)
for perhaps two years---the club is accepting recommendations for the office of safety co-
ordinator---if you are interested in accepting the duty of safety coordinator please contact
Dave Temby---there have been complaints about the loudness of the aircraft---the use of our
decibel meter will be more frequent---Danny Hansen (Introduction Pilot) is coodin-
ating the AMA introduction pilot program---a new club brochure has been designed by Dave
Temby

6:50-----general discussion---because of the temporary closure of the southeast portion of the
park, club members were concerned about inadequate parking and people walking through
the flying area---Dave Temby expressed several projects for the year 2010; re-surface and
stain the park benches: repair (patch) the side walk: install a new irrigation
box: clean and resurface flight tables (consult Hugh Layman for proper stain): replace
some of the cedar fencing (posts): use wood posts to secure the helicopter hover area---
Remote Control Hobbies (R/C Hobbies) is willing to sponsor the development of a school
aviation project if club members are willing to teach and build an ARF---the development of
a club news letter was presented---does the club want to participate
in a Museum of Flight static display---the Seattle Rams have suggested a joint fly-in---
a club group field to other fields was suggested

7:10-----announcements---the North West Model Hobby Exposition in Monroe is February
12, 13, 14; the SeaTac Community Center is open for indoor flyers and an
out door field is under construction; Ferdinand Boat Launch on Fridays

7:15-----meeting dismissed
