

Flaming Geyser Flyers Meeting
March 10, 2009
Flaming Geyser State Park---Environmental Learning Center

The club gathering began at 6:15 pm with a “dinner format” including pizza, beverages and ice-cream.

6:45-----meeting called to order by Dean Brinton (president)---there were 38 persons present--the club now has 103 Solo Permit stickered pilots---the minutes from the February meeting were read by Robert Burks (secretary)---the minutes were approved and accepted as read---financial report was given by Allan Poinsett (treasurer)---safety report was given by Rob Clement (safety coordinator)---the newly developed white safety line has been improved by using vegetation killer---a sign now emphasizes that all flyers must have a current AMA card and sticker

7:00-----new business---park ranger Mark Harris discussed the possibility of the closure of 30 parks (including Flaming Geyser) ---a formal public hearing would preclude any action to change the current policies---a personal letter to our elected 31st Legislative District representatives may be appropriate (more on this later)

7:20-----show and tell---Michael Hanson brought his Kadet Senior; built from a kit as a high school senior project (Tahoma High School) ---the Kadet is fully equipped and ready to fly---Aaron and Jack Brooks brought two SPADE airplanes (scratch built) ---Dick Weaver brought a scratch electric Polaris

7:30-----video presentation---a video (Defying the Limits) which featured Jason Shulman demonstrating his 1st place Tournament of Champions freestyle routine

8:25-----meeting adjourned---clean up begins
