

Flaming Geyser Flyers Meeting
April 14, 2009
Flaming Geyser State Park---Environmental Learning Center

The club gathering began with the doors opening at 6:00 pm and a “dinner format” including spaghetti, hot rolls, salad, beverages, and ice-cream starting at 6:15pm

6:55-----meeting called to order by Dean Brinton (president) ---there were 34 persons present--
-all members and guests introduced themselves---the club now has 112 members with stickers--
--the minutes from the March meeting were read by Robert Burks (secretary) ---the minutes
were approved and accepted as read---financial report was given by Allan Poinsett (treasurer) -
--safety report was given by Rob Clement (safety coordinator) ---activity at the field have been
minimum with no safety violations

7:05-----old business---a sign which emphasizes that **all pilots must have an AMA card and current sticker** is being made by Maple Valley Signs (in Maple Valley) ---the mower has been maintained by Western Equipment and is ready for use

7:10-----new business---if you are interested in assisting with the field maintenance, especially mowing, contact Mike Moyer---the field needs to be rolled before it is mowed---because of the poor condition of the work storage locker, Greg Wines is coordinating the construction of a new locker unit---a motion was made and accepted to have the **Annual June Fun Fly on June 13, 2009 (Saturday)** with make up day (if needed) Sunday June 14---possible options of park closure were discussed, the state budget (including parks) will be finalized in late April or early May

7:30-----show and tell---Dave Temby brought a giant size bird (40pounds and more) which he found on Craigslist---Bernard Cawley brought an electric kit built model (SwitchBack Sr,) available from www.mountainmodels.com

7:45-----video presentation---AMA volume 3

8:30---meeting closed---clean up begins
