

Flaming Geyser Flyers Meeting
May 13, 2008
Flaming Geyser State Park---Environmental Learning Center

7:05-----meeting called to order by Dean Brinton (president) ---all members introduced themselves---there were 17 persons present---minutes from the April meeting were read by Robert Burks (secretary) ---the minutes were approved and accepted as read--financial report was given by Allan Poinsett (treasurer) ---safety report was given by Rob Clement (safety coordinator) ---no incidents or violations have occurred---a first aid kit is available at the field

7:17-----new business---the air field is being mowed twice a week---the Toro mower is showing signs of wear---Bill Ackerman and B. J. Meekins will be asked to assess the condition of the Toro mower---perhaps the mower needs to be replaced---the newly acquired storage shed has been delivered and is being used to store field maintenance equipment, trainer, and other club items---RC Hobbies donation which helped secure the shed was greatly appreciated---be aware that there have been numerous sightings of a skunk at the field

7:25-----old business---the helicopter fencing repair is being coordinated by Allan Poinsett and may cost around \$400.00---the pre-flight check lists will be laminated by Dave Temby---water service to the field has been re-established (repairs made) thanks to Al Padarta

7:35-----announcements---the Flaming Geyser Summer Fun-Fly is on Saturday June 7---with a make up day of Sunday June 8---the website will give an early Saturday morning report if the weather creates a rescheduling problem---Lake Sawyer Hawks are having a swap meet on Saturday June 7, at 10 am---there will be a Maytown Lake Float Fly some time in September

7:40-----Guest Speaker---Bernard Cawley (expert on electric flight) ---currently employed by Boeing as a mechanical engineer---some of the areas covered were; batteries, electric motors, and testing equipment

9:00-----meeting adjourned
