

RCA Flying Friends of Flaming Geyser State Park  
Meeting Minutes  
June 12, 2007  
Regional Park Department Headquarters---Auburn, Washington

7:12-----Meeting called to order by Bill Ackerman (president)---written membership roll was taken---all members introduced themselves---there were fourteen persons present---Bob Burks (secretary) read the meeting minutes for May 1, 2007 and they were approved and accepted as read---there was no treasures report---the safety information indicates that there have been no new infractions reported

7:20-----a comprehensive plan for the June 23, 2007 fly-in was presented by Frank O'Brien---recommendations were made for the fly-in; spotters be used by all pilots, an impound area to include all transmitters, and a required pilots meeting prior to signing in---Dave Temby will coordinate the collection and distribution of prizes for the fly-in

7:30-----general discussion---there are large areas of dead grass developing which are probably caused by spilled fuel (gas) and hot exhaust fumes (please use drop cloths and catch containers) ---Frank O'Brien's Boy Scout group has successful built and flown their u-control planes---the efforts by Bill Ackerman (president) and Dave Temby (vice-president) to assist the aero-space program students at Todd Beamer High School have been frustrated because of school security concerns---student airplane flights may have to be continued next year---float flying is still occurring on Thursdays at Lake Washington 10:00am to 1:00pm---congratulation to Bryan Rosen Rosenkranz who retires June 30, 2007---some problems have been reported with the Spektrum 2.4GHz systems

8:00-----raffle---by Dave Temby (vice-president) and Bob Burks (secretary) ---prizes form Ultimate Hobbies and donations from Bryan Rosenkranz
