

Flaming Geyser Flyers Meeting
June 9, 2009
Flaming Geyser State Park---Environmental Learning Center

The club gathering began with the doors opening at 6:35 pm with a “dinner format” including pizza, beverages, and ice-cream

7:00-----meeting called to order by Dean Brinton (president) ---there were 26 persons present---a cordial welcome was extended to all guests---the minutes were read by Robert Burks (secretary) ---one correction was required; Ken Murdock’s kit built turbine produces about 14 pounds of thrust not 141 pounds of thrust---the corrected minutes were approved and accepted---financial report was given by Allen Poinsett (treasurer) ---safety report was given by Rob Clement (safety coordinator); no major incidents reported

7:25-----new business---the club has improved itself in many areas; mole control (20 and counting); parking (new white lines); clear walking areas (clean edging); mowing teams (4 and volunteer subs appreciated); instructional pilots (5 and counting); evaluation pilots (9 and counting); consultants (many---substantial support); club officers (6 well coordinated)

7:40-----discussion---the Management Plan determines what can and cannot be done by the club---any and all modifications to existing policies and properties must meet the requirements of the management plan---this includes position of flight stations, type and placement of fencing, signage etc.

8:50-----announcements---6-12 indoor fun fly at SeaTac community center---6-13 Flaming Geyser Fun Fly 10:00am ---6-28 Angle Lake International Festival Float Fly at the Park
