

RCA Flaming Geyser Flyers Meeting
September 11, 2007
Regional Park Department Headquarters—Auburn

7:05-----meeting called to order by Bill Ackerman (president)---there were 17 people present---each person introduced themselves---written membership roll was taken---the minutes from the August meeting read by Bob Burks (secretary)---the minutes were approved and accepted as read---the safety report given by Jerry Roncelli (safety coordinator) disclosing that there have been no recent violations or incidents reported---as reported by Dean Brinton (treasurer) the checking balance was [Removed]

7:15-----old business---the restroom floor has been refurbished thanks to Frank O'Brien and others---the floor repairs cost about \$122.00---the sprinkler system is working better thanks to Al Padrta's work on the transformer, timing, and wiring

7:30-----new business---two visitors from the park administration came to the field and gave their evaluation of the of the present operation---two of their suggestions were to register all volunteer workers and make the area more accessible to persons with disabilities---this might require more black topped areas in the pits and in visitation areas near benches---

7:45-----general discussion---the runway needs to be rolled---at the present time the field is hard, rough, and dry---Darrin Howell will be trained to maintain and use the lawn mower---club members are invited to join the Lake Sawyer Hawks for a float fly on Thursdays from 10 am to 1 pm at the Ferdinand Boat Launch on Lake Washington---AMA membership is required

8:05-----raffle---by Dean Brinton

8:15-----motion to adjourn was made and approved---meeting was adjourned---next meeting will be at the Flaming Geyser Park education building
