

Flaming Geyser Flyers Meeting
October 13, 2009
Flaming Geyser State Park---Environmental Learning Center

The club gathering began with the doors opening at 6:00 pm with a “dinner format” starting at 6:15 including roasted chicken, hot rolls, potato salad, beverages, and ice-cream

6:45-----meeting called to order by Dean Brinton (president) ---there were 22 persons present---all members introduced themselves---a sign-in roster was circulated

6:50-----new business---Allen Poinsett (treasurer) informed the club of the current problems regarding the 1999 Toro Mower---the mower has been repaired and is ready for use---training and maintenance procedures are available to interested club members---Western Equipment (a certified Toro Dealer) will no longer be servicing the mower---please notify the club if you have information regarding a reliable service business---the purchase of a deck mower will be investigated

7:00-----discussion---extended flying hours for electric aircraft as well as an appropriate decibel level for electric aircraft will be examined and evaluated to see if they meet the requirements of the Management Plan---the fire extinguisher at the field is missing and will be replaced---an electric flight demonstration was given during the festivities at a Bonney Lake High School football game (before the game and during half time)

7:10-----announcements---the city of SeaTac has developed an indoor electric flying sight (Community Center---Gym) and outdoor flying sight (former elementary school campus) Dave Temby (vice president) invited all club members to bring a model for a static exhibition at the Museum of Flight on November 8, 2009. admission is free if you bring a model for display---all club offices are open for nominations for next year

7:25-----show and tell---Dennis Sivak brought an electric park flyer (hang glider) which used one servo---Dave Temby brought an electric powered Fiesler Storch

7:35-----raffle by Allen Poinsett and Dean Britton

7:50-----meeting adjourned---clean up begins
