

RCA Flaming Geyser Flyers Meeting---Pot Luck Dinner  
December 12, 2006  
Flaming Geyser State Park Environmental Learning Center Building

6:30-----meeting called to order by Bill Ackerman (president)---all in attendance introduced themselves---more than fifty persons were present---all present were invited to select their dinner from the abundant supply of pot luck dishes available

7:25-----Bryan Rosenkranz gave a presentation on the current plans for expansion and improvement of three state parks; Flaming Geyser, Nolte, and Kanaskat Palmer---one of the major problems of Flaming Geyser Park being the abuse of alcohol

7:45-----old business---Bill Ackerman (president) expressed gratitude to all persons who assisted in the efforts to get the flying field opened---the club is in need of a safety coordinator---we were reminded that if a model aircraft lands outside of the Flaming Geyser State Park boundaries the pilot will immediately report the landing incident to the Flaming Geyser Park Ranger on duty and fill out an incident report---under no circumstances will the pilot go on to private property to retrieve the aircraft---Frank O'Brien reported that there are three boy scouts working on their aviation merit badge projects---the club trainer may be used to help the boy scouts complete their requirements---Bill Ackerman (president) and Dave Temby (vice-president) will continue to help the Beamer High School in their aviation program

7:55-----raffle---by Dean Brinton (treasurer) ---many impressive raffle prizes were given to ticket holders

8:35-----motion to adjourn was made (so moved) ---meeting adjourned---next meeting January 9, 2007---clean-up begins
